## Output : -Designing Part

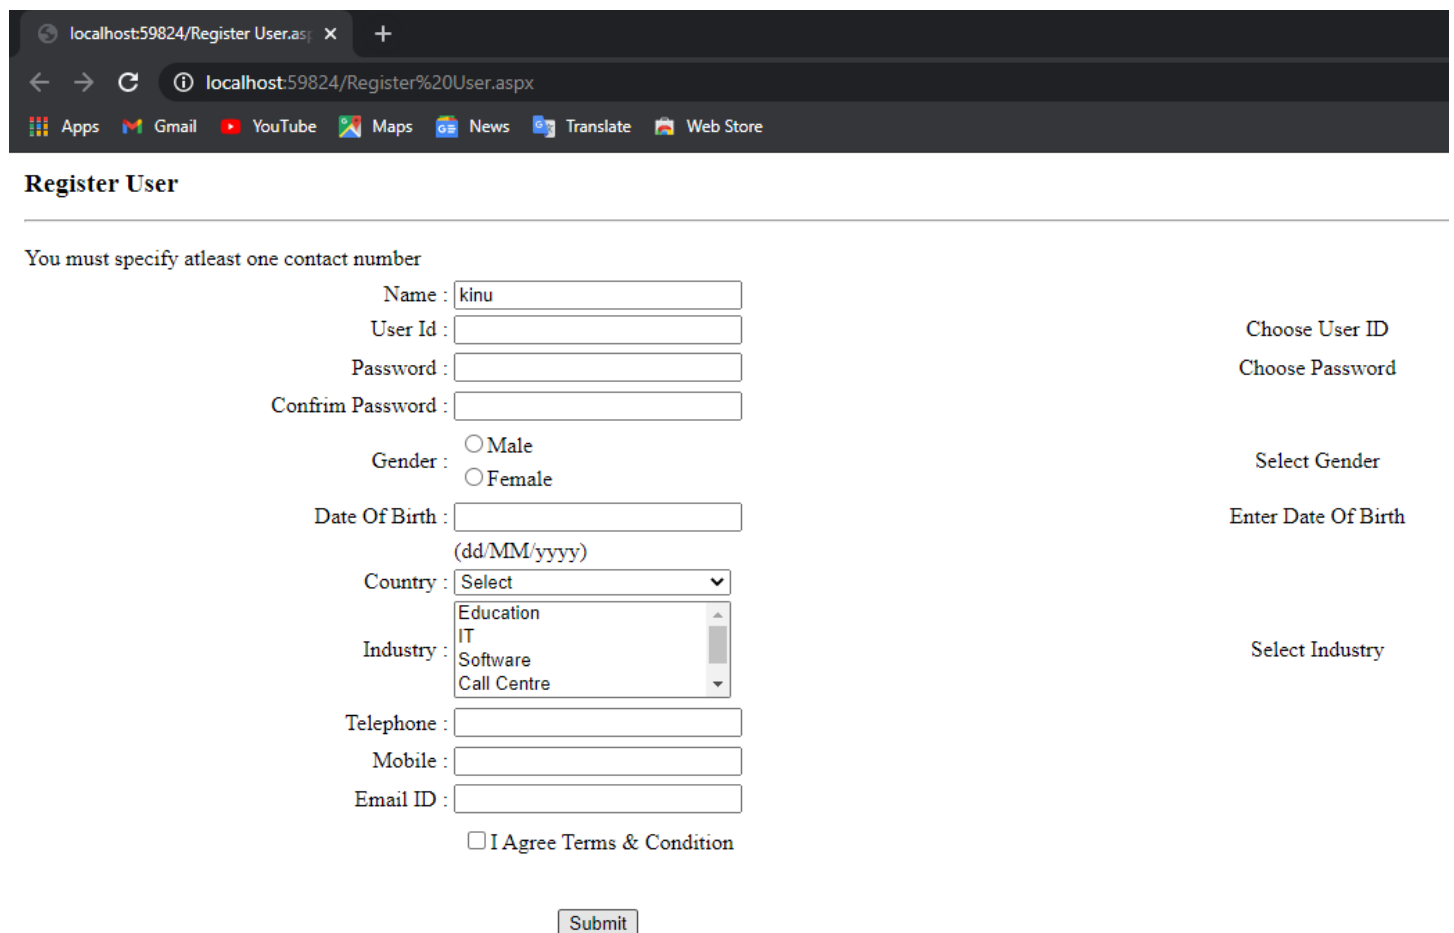

## 1<sup>st</sup> utput:

A screenshot of a web browser displaying the 'Register User' form. The browser's address bar shows 'localhost:59824/Register%20User.aspx'. The form is titled 'Register User' and includes a message: 'You must specify atleast one contact number'. The form fields are: Name, User Id, Password, Confirm Password, Gender (radio buttons for Male and Female), Date Of Birth (with a date format hint '(dd/MM/yyyy)'), Country (a dropdown menu), Industry (a dropdown menu with options: Education, IT, Software, Call Centre), Telephone, Mobile, and Email ID. There is a checkbox for 'I Agree Terms & Condition' and a 'Submit' button at the bottom.

## 2<sup>nd</sup> output :-

A screenshot of the 'Register User' form with sample data entered. The browser address bar is the same. The form fields are filled with: Name: kinu, User Id: (empty), Password: (empty), Confirm Password: (empty), Gender: (radio buttons for Male and Female), Date Of Birth: (empty), Country: (dropdown menu), Industry: (dropdown menu with options: Education, IT, Software, Call Centre), Telephone: (empty), Mobile: (empty), and Email ID: (empty). There is a checkbox for 'I Agree Terms & Condition' and a 'Submit' button at the bottom. To the right of the form, there are labels for the fields: 'Choose User ID', 'Choose Password', 'Select Gender', 'Enter Date Of Birth', and 'Select Industry'.
